<i>Thuja</i>						
*Western red cedar	P+1+2	20"-26"	Sicamus, BC			\$3.00
	P+3	26"-36"				\$3.00

NOTES:

The P+1+2 Thuja were the smaller seedlings that were dug and re-transplanted..

Due to a number of customer's requests and because we still have seed in the freezer, we will have a limited number of seedlings available for the next few seasons. We should have both Rio Grande Concolor Fir and Tutshi Lake, BC Subalpine Fir in the Spring of 2019. Look for them!

Most Sincerely, Katherine and Jerrienne
