Farm News!

September Mushroom hike and October Open House a success! Between the two, we welcomed about 85 guests who were enthusiastic and enjoyed having the opportunity to get outside and walk the farm. We also raised almost \$200 for the Trees for Troops program! This means almost another 4 trees from our farm! Thank you SO MUCH to everyone who contributed to this worthwhile cause! Look for the T4T containers at checkout. After Thanksgiving, all \$\$ collected go towards expenses for the 2021 season.

The young people working on our farm this Christmas season

Gavin Brooks, Sawyer Barron, Aiden Mangano-Mays, Peter Carr and Abram Barron are the young people you will find greeting you, as well as baling, shaking and loading trees. Isabel Scheiderich will be cashing you out in the shop and creating beautiful centerpiece trees. For those coming Thanksgiving weekend, you will also see our veteran kissing ball creator, Jasmine Lang. Stephen (and maybe even Theodore!) Scheiderich will be your host and driver while you ride the utility vehicle.

We know you have many choices of where to buy your REAL tree. We appreciate your choice of our farm! Our product is ecologically friendly, totally recyclable and a renewable resource! Thank you for buying a grown in New York REAL tree! **Have a Merry Christmas and a New Year filled with God's blessings.**
