## The people working on our farm this Christmas season

Amara Jerome, Noah Gibson, Brianna Richardson, Sadie Coffey and Graham Mahonski are the young people you will find greeting you outside or in the shop, as well as baling, shaking and loading trees. Stephen, Jerrienne or Theodore Scheiderich will be cashing you out or driving the utility vehicle. Katherine will be around the shop, manning the upstairs kitchen and always happy to have folks stop by the back door to chat a minute! We will all be missing Isabel this year as she is now at college in Vermont.

We know you have many choices of where to buy your REAL tree. We appreciate your choice of our family farm! Our product is ecologically friendly, totally recyclable and a renewable resource! Thank you for buying a grown in New York REAL tree! **Have a Merry Christmas and a New Year filled with God's blessings.**
